CHITALDRUG.

8. Markets are well supplied with ragi and jola. There is dearth for rice in the markets. Necessary arrangements have been made for the supply of the same from emergency depot and other available places.

9. Agriculture operations.—Sowing—Nil.

Standing Crops.—Fair. It is reported that Bilijola crop is suffering from "Joni" disease in Chitaldrug, Jagalur, Hiriyur and Molakalmuru Taluks.

Harvest.—Cotton in Harihar Taluk is reported to have been harvested.

10. Prospects of the season are reported to be fair. The cooly classes are finding sufficient labour all over the district.

11. Cattle are reported to be generally healthy throughout the District, except for the prevalence of "Rinderpest" disease in Holalkere and Molakalmuru Taluks. Necessary preventive measures are reported to have been taken by the Veterinary Department to check the spread of the disease. Water and fodder are available throughout the district.

Retail price of Food grains.

		For the week ending 17th February 1945
